(Hartfore ness in visiting those in sickness or in sorrow and in aiding those in need; Protector Underwriters of the Pacenta "That we bear testimony to the fact that for more than a generation Canon Mackintosh has faithfully ministered to the people of the Cathedral and to all those who appealed to him for services or for ministrations;

"Be it further resolved: That we as sure him of our best wishes and that we hope and pray that he may be abunuantly biessed in his new sphere

"That a copy of these resolutions be sent by the clerk of the parish to the anon Mackintosh and that another copy be sent to the press."

made in the will of Mrs. Mary Dame Hall, the deceased widow of the late Are now in their new quarters, Elite . O. Hall. Considerable property is owned in this city, of which Samuel Damon has been appointed executor under the will, which was admitted to probate yesterday in the Circuit Court. The will contains the injunction that as soon as possible sufficient stock in the firm of E. O. Hall & Sons shall be sold to bring in \$15,000, of which sum \$10,000 shall be given to the Mount Holyoke College of Massachusetts, and the remaining \$5000 to a nephew of the deceased named Charles I. Dame. Ten shares of the E. O. Haii stock are given to E. O. White and to E. O. Hall of this city, and the remainder of this stock, which totals 336 shares, is to be divided among the children of W. W. Hall.

MARRIED.

COULTER-HUNNER - In HOROTICA, July 29, 1908, George Thomas Couiter and Ethel V. Horner, both of this city.

BOIL YOUR WATER.

All those drawing water from the Nuuanu reservoirs are cautioned to boil the fluid before using it for drinking purposes. This warning was given out by Superintendent of Public Works Marston Campbell this morning. in speaking of the matter, he said:

"I do not want to create any scare and there should be none, but on account of the situation which exists at the Nuuanu dam I have decided that from roots and herbs, has been the it was best to take this course. There standard remedy for female ills is not a drop of water in either No. 2 and has positively cured thousands of or No. 3 reservoir, and we have been women who have been troubled with turning the water stored in the No. 4 displacements, inflammation, ulcerareservoir down to No. 1, for the water tion, fibroid tumors, irregularities, in the latter is like a fish pond. Until opious rains have failen, which have at least washed the reservoirs out, 1 would auggest that the precaution of hoiling should be taken by all using
